

# INFINITY

COMPOSITE DOOR COLLECTION

# INTRODUCING

## The Infinity Composite Door

### WORLD CLASS PRODUCTS LOCAL SERVICE

Infinity is the perfect choice for installers who want to offer their customers a full range of composite doors at affordable prices.

We offer both solid and foam core doors, depending on your requirements. We also supply foam-filled door composite doors with a GRP (fibreglass) skin. With Secured-by-Design locks and tough fibreglass exterior, this is one of the most resilient and weatherproof composite doors on the market!

### STUNNING GOOD LOOKS

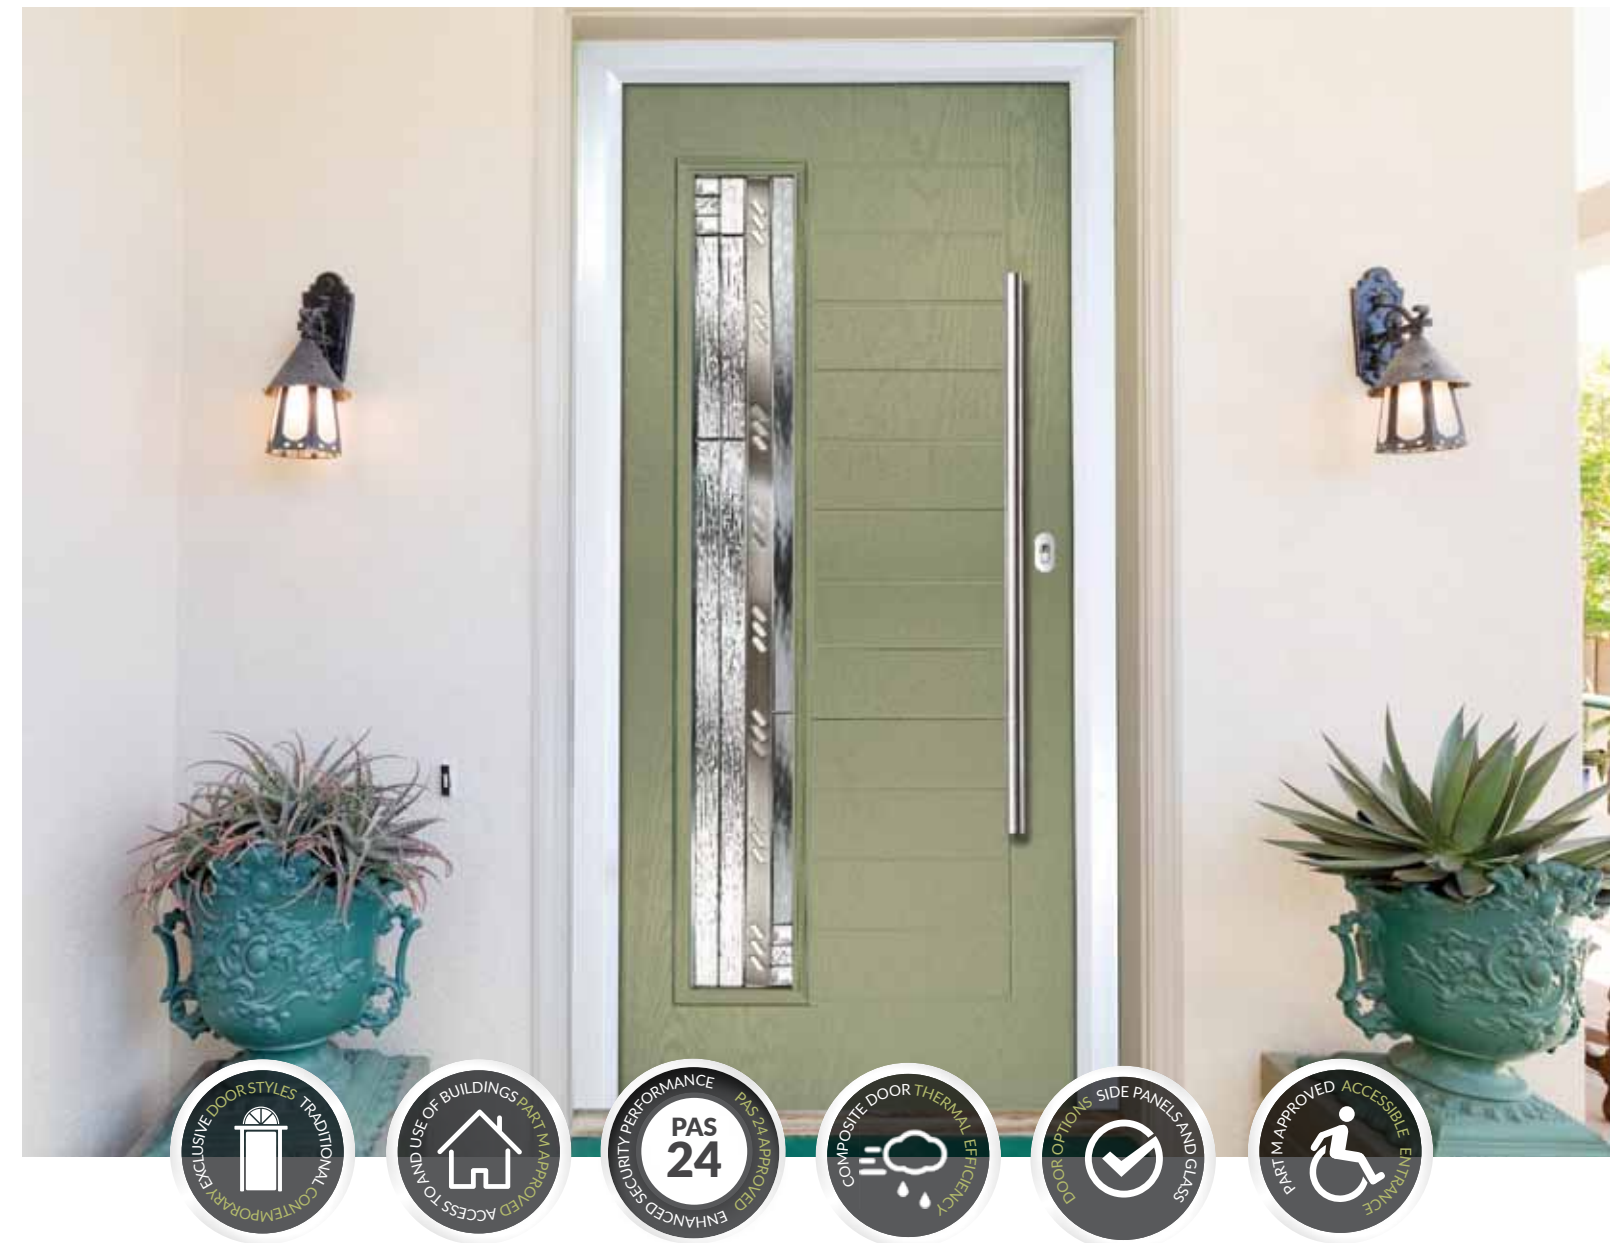

Using the latest composite door technologies combined with the Deceuninck 2800 Heritage PVC outerframe, we have created a door that will perform to the highest standards for security, thermal efficiency and weathering performance. But performance is not good enough - an entrance door is the first thing visitors see of your home therefore good looks are just as important.

With a range of 28 colourways and stunning decorative glass options, the Deceuninck composite door really makes a statement.

### JUST AS YOU WANT IT

Customising your door is no problem at all whether it be colour, decorative glass or hardware and furniture options. With all the possible options there are over 10,000,000 different door combinations possible ensuring that your door is exactly how you want it.

As all the components have been tested individually, you can mix and match as you want in the knowledge that the finished door will be of the highest possible standard - no compromises.

Our Composite Door Collection is a complete range of thermally efficient composite doors manufactured to the highest quality standards. There are 20 Traditional styles and 10 Contemporary styles offering you the best choice for your home and our unique Inox range with stainless steel glazing covers, adds exclusive designer style. We also offer doors with toplights and sidelights when required in either a matching composite side panel or glass options.

For disabled access we offer a Building Regulations Part M compliant aluminium threshold.

## THE BEST SECURITY KEEPING YOU SAFE

We take security very seriously so we have developed our door which will pass the most rigorous tests including the new BSI PAS24 test. The Infinity door also exceeds the requirements for Document Q and new build. We fit multipoint locks as standard and incorporate hardware to offer TS007 standards, with the use of high security cylinders which are anti-pick, anti-bump and anti-snap. On certain styles, we also offer a high level, multipoint, slam-shut lock with key entry plus a security escutcheon plate giving a traditional rim latch appearance, simply stunning.

## THE BEST APPEARANCE

Installing an Infinity Composite Door in your home will give a truly appealing finish to the entrance, with a high-definition embossed and grained GRP outer skin, which will look stunning for years to come. Utilising the latest composite door technologies combined with the Deceuninck 2800 Heritage PVC outerframe we have created a door that will perform to the highest standards for security, thermal efficiency and weathering performance. But performance is not enough- a entrance door is the first thing visitors see of your home therefore good looks are just as important. With our range of 26 matching outerframe to door colourways and stunning decorative glass options the Deceuninck Composite Door really does make your front door stand out on your street!

## MAKING A PERSONAL STATEMENT

The visual appearance of your door is enhanced with your choice of glass. Depending upon the style, you will have either a double glazed or triple glazed unit. All units will be supplied as Energy Plus, incorporating 'Low E' glass and Argon gas filled. The glazing cassette system has passed the PAS24 security attack tests but is also re-glazeable. For back door applications, you can have an Integrated Venetian Blind utilising a child friendly unobtrusive finger control with no loose cords.

## THE WIDEST RANGE OF COLOURS

With our high performance paint technology, we can offer a wide range of colours for doors and colour foil for door frames giving you a fantastic choice for your home. Most doors would come as white as standard on the internal side, however for your own unique requirements, we may be able to provide different options so please speak to our Sales Representative for more details.

# TAKE A CLOSER LOOK

## COMPOSITE CONSTRUCTION AND GRP SKINS

Our doors are manufactured from the industry leading Composite door panel which is manufactured using grained GRP skins and a composite core incorporating a PU foam for heat insulation, LVL subframe for strength and PVC outer to prevent warping or twisting. The use of GRP skins allows us to offer high definition embossing to give realistic woodgrain effect and traditional moulding details to give the feel of a timber door. Our doors are available in a range of 24 colours.

## HIGH SECURITY LOCKS

We offer a range of high security lock systems from Yale and other leading manufacturers to give unrivalled security and all our locks use the latest Yale 3\* anti-bump, anti-pick cylinder technology. Options and Specifications are shown on page 45.

## PVC OUTERFRAME

All our doors come with the Deceuninck Heritage 2800 series profile as standard. It has a unique, modern shape with smooth contours and is available as smooth white, foiled white or in a range of colours. The Heritage 2800 series demonstrates the kind of intelligent thinking that makes our products market leaders.

## REGLAZEABLE CASSETTE SYSTEM

The range of stunning glass options are incorporated into the door using the industry leading Tri-Sys glazing system which allows for easy reglazing of the door in the event of glass breakage or if you decide to change your glass design at a later date

## DECORATIVE GLASS

Our range of stunning decorative glass options really set our door apart With a range of options to suit all tastes and budgets these high performance glass units have the lowest U values of any decorative glass available in the market. Full range shown on pages 40-41.

## SUITED FURNITURE

We offer a range of colour-matched and 'suited' door furniture to finish off the door. Matching post office compliant letterplates, door knockers, handles and numerals are available in a range of 5 colours and finishes. Options are shown on page 45.

## LOW THRESHOLD AND DRIP BARS

All our doors use the Stormguard AM3, Part M compliant, low threshold sill and colour-matched drip rails as standard, At just 15mm high it allows for easy access for wheelchairs and prams whilst maintaining a high quality weather and draft seal Technical Specification on page 42.

# TRADITIONAL DOORS

The range of traditional doors are designed to replicate the most popular timber doors and come with highly defined mouldings and realistic wood-grain embossing on the surface. Whether used in a Victorian home, a modern townhouse or a farmhouse cottage, these doors always add to the appearance of the entryway and with the widest range of styles available in the market, there is a door for everyone.

These doors are transformed by the choice of decorative glass and colour and with 28 door colours available and a huge range of glass options from the simple diamonds of Classic through to the stunning multi-faced bevelling and black chrome of Reflections, these doors can make a real statement.

# DECORATIVE GLASS

## UNPARALLELED DESIGN OPTIONS - UNRIVALLED PERFORMANCE

Decorative Glass transforms doors and makes a personal statement and with Panoramic Composite Door, we offer a range of styles to suit all budgets and tastes from the contemporary to the traditional.

All our decorative glass is manufactured to the highest possible standards and come as Energy Plus incorporating 'Low E' glass and Argon gas to give a centre pane 'U' value of 1.1 and to ensure that all our doors meet Door Energy Rating level of B as a minimum.

### SIGNATURE DORCHESTER

For a traditional Victorian look, Dorchester is the perfect choice combining vibrant 'Spectrum Glass' with textured glass and traditional lead. Available in 3 border colour options: Amber, Blue and Green.

### SIGNATURE REFLECTIONS

Stunning black chrome cameing combined with satin and grey bevelled glass pieces, Reflections makes a classy yet striking statement encapsulated inside a double glazed unit for ease of cleaning.

### SIGNATURE MODENA

A modern twist on a traditional technique Modena combines hand cut textured glass pieces, contemporary fused glass elements and polished zinc cameing.

### SIGNATURE CLASSIC

Simple yet classic design that suits any home. Classic is a combination of gently patterned glass with sparkling bevelled glass pieces encapsulated inside a high-performance double glazed unit.

### SIGNATURE SIMPLICITY AND ELEGANCE

Both Simplicity and Elegance has proven to be hugely popular designs combining a combination of textured glasses with hand cut polished bevelled glass which sparkle in the sunlight.

Simplicity is available in either Brass or Zinc came options.

### SIGNATURE MATRIX

A modern twist on a traditional technique Modena combines hand cut textured glass pieces, contemporary fused glass elements and polished zinc cameing.

### ETCH ART LINEAR

The simplicity of brilliant cut lines combined with soft satin glass gives Linear a classic appeal that suits both traditional and contemporary door styles. Only available in a limited range of door styles.

### ETCH ART MURANO

Combining etched glass with hand-made 'fused glass' elements, our Fusion Art ranges are a truly modern decorative glass option.

Available in 5 colourways to complement or contrast with the door colour: Black, Blue, Green, Purple and Red.

### ETCH ART TAHOE

Combining etched glass with hand-made 'fused glass' elements, our Fusion Art ranges are a truly modern decorative glass option.

Available in 5 colourways to complement or contrast with the door colour: Black, Blue, Green, Purple and Red.

### FUSION ART SYMPHONY AND LUCERO

Taking a 2000 year old glass technique of melting coloured glass together, our Fusion Art products are then triple glazed inside a high performance insulated glass unit to give the highest levels of thermal efficiency.

### CRYSTAL ART FRENCH AND INFINITY

Using patented technology that allows for an incredibly intricate bevelled effect design, our Crystal Art products also have enhanced security and sound insulation due to the materials used in their manufacture.

French is available in: Emerald, Onyx, Ruby and Sapphire.

### ETCH ART GRIDLITE

Simulated divided lights create the look of individual panes of glass, whilst maintaining the performance benefits of a single double glazed unit. Selectively etched panels ensure privacy without sacrificing natural light.

# COMPOSITE DOOR SIZING

Due to the manufacturing system involved in producing our Composite Door, certain size restrictions are inevitable. The sizes shown below are based on the Deceuninck 2800 system and Part M compliant low threshold or PVC Cill. Composite sidelights and glazed sidelights are made as separate frames and joined with steel reinforced couplers.

			HEIGHT	HEIGHT	WIDTH
			WITH STANDARD PVC CIL	WITH LOW THRESHOLD CIL	
	SINGLE DOOR	MINIMUM	2003mm	1983mm	823mm
		MAXIMUM	2103mm	2083mm	1022mm
	DOOR WITH SINGLE COMPOSITE SIDELIGHT	MINIMUM	2003mm	1983mm	1278mm
		MAXIMUM	2103mm	2083mm	1497mm
	DOOR WITH SINGLE GLAZED SIDELIGHT	MINIMUM	2003mm	1983mm	1095mm
		MAXIMUM	2103mm	2083mm	2145mm
	DOOR WITH DOUBLE COMPOSITE SIDELIGHT	MINIMUM	2003mm	1983mm	1733mm
		MAXIMUM	2103mm	2083mm	1972mm
	DOOR WITH DOUBLE GLAZED SIDELIGHT	MINIMUM	2003mm	1983mm	1368mm
		MAXIMUM	2103mm	2083mm	3376mm

## THRESHOLDS

The AM3 low threshold has been ergonomically tested for Part M compliance for disability access. It is thermally broken to meet thermal bridging and insulation requirements. As well as being designed to fit directly onto level thresholds, it is ideal for use with carpeted floors and can have an optional clip-in internal transition ramps also allow use with tiled or wooden floors. The non-slip surfaces ensure a safe grip in wet conditions.

# SIDELIGHTS AND TOPLIGHTS

## When you need more than just a door

For larger openings we offer a range of sidelight and toplight options to complement your door. These are manufactured as separate frames and joined with steel reinforced couplers.

### Composite Sidelights

This option is available in certain designs with full, matching decorative glass or in some cases only a complimentary patterned glass is available. Size restrictions apply to composite sidelights which are shown on the facing page.

Matching Decorative glass is not available for the following styles:

- Roma
- Lucero
- Modena
- Tahoe
- Tacoma

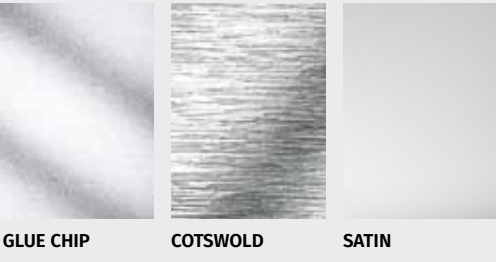

For further information please visit [www.Panoramic.co.uk/sidelights](http://www.Panoramic.co.uk/sidelights)

# GLAZED SIDELIGHTS AND TOPLIGHTS

For our Glazed Sidelights, there is an option for a full glazed or a split glazed with a centre transom.

Complementary glass is also available to match up with many of our decorative units:

## DOOR LOCKS AND FURNITURE

Our multipoint lock range offers outstanding protection against attempted burglary with our doors having passed the rigorous PAS 24: 2012 tests including: manual attack, mechanical load, soft and hard body impact, plus a key/thumb cut through test. The lock will comprise of a series of hooks with a centre deadbolt lock case. The hooks are engaged into receivers in the outer frame upon lifting the handle or by a semi-automatic function on ‘slam-shut’ variants. The designs protect the door from forced entry by remaining firm inside the receiver.

Thumb turn cylinders are required on new build installations and form part of Document Q.

On door sets with lever handles, the lock is centrally set with hook locks set close to the top and bottom of the door, whilst on part of the Contemporary and Inox range, we offer a multipoint lock with a high level cylinder and escutcheon offering the same security features as standard doors.

All locks are manufactured in Europe to exceptional quality standards and exceed current regulations. The manufacturers a re quality controlled to ISO9001 and ISO14001.
