

TECHNICAL GUIDE

# INFINITY FLUSH DOOR

A

Like the award winning flush window, the Infinity Flush Door will provide your home with the kind of timeless style and beauty you would expect from a market-leading product.

#BestInClass performance means there is substance to match that style, giving you long-lasting peace of mind.

With their 19<sup>th</sup> century charm and 21<sup>st</sup> century attributes, our stunning Infinity flush windows and doors will transform your property into the classic chocolate box home you have always dreamed of.

# Infinity Flush Door

## Weather Performance

Internally we've adopted our tried and tested high performance multifunctional weatherseal. With a continuous seal welded at the corners, air tightness is always maintained meaning no loss of comfort inside the home.

Externally a new dual seal combination maximises water tightness and conceals hardware.

An integral drainage slope encourages water to drain away quickly and easily.

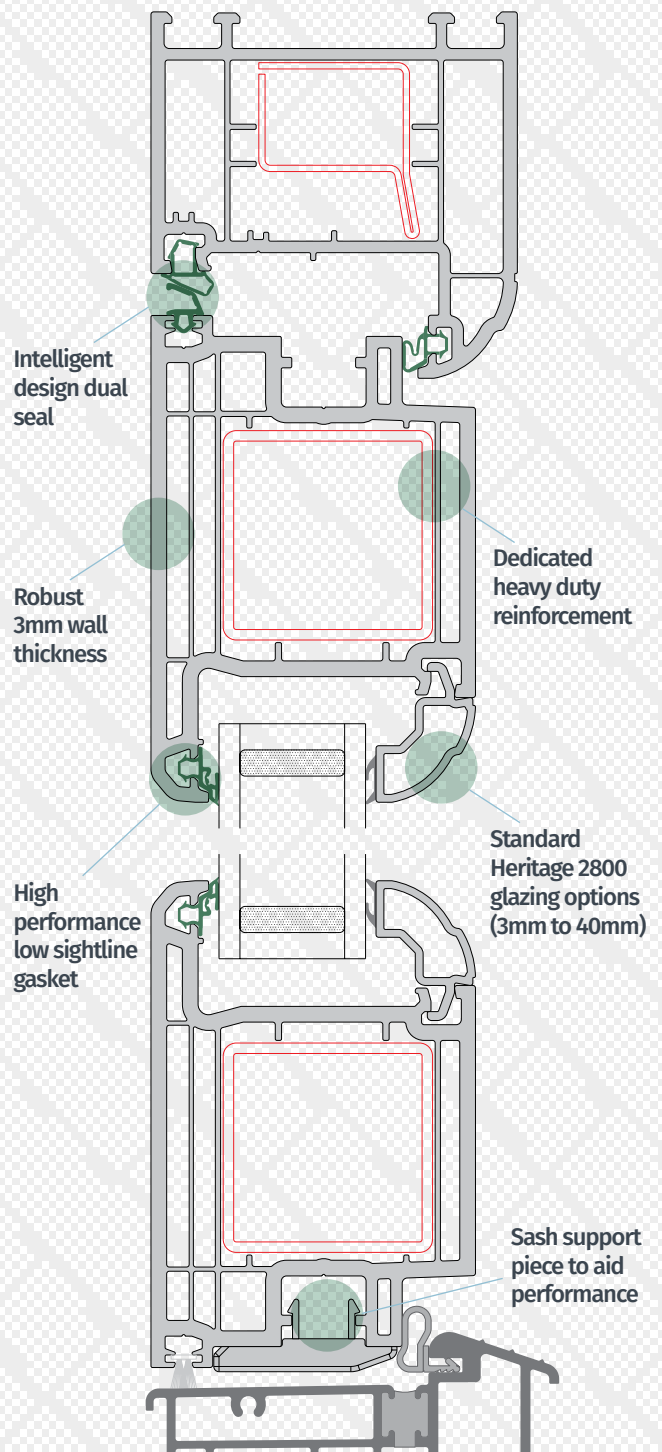

## Security

Deceuninck supplies its Infinity flush door system with a comprehensive set of dedicated hardware as standard. Designed in conjunction with a market leading hardware brand, all components are 100% bespoke, giving you a level of performance and security that cannot be matched.

For the best looking and best performing flush door, fit hardware supplied and approved by Deceuninck.

## Insulation

Infinity flush door whilst robust still offers a level of insulation far in excess of today's regulatory requirements. Designed to imitate products from the past, flush door does more than to replicate aesthetics, it will enhance the comfort of your home for years to come.
