BYGONE BEAUTY

The Regal Hardware range combines the traditional style and enduring elegance of 19th century ironmongery with the quality and durability you'd expect from today's manufacturing techniques. Whether you want to retain original character in a period property OR inject some unique style and individuality into a modern home, our handles and stays will enhance both standard 70mm profile and flush sash replacement windows. Choose from monkey tail or pear drop designs:

Monkey tail & pear drop 10" stays

Left and right handed variants

Pegs

Butt hinges

Monkey tail or pear drop door handles

RESOUNDING QUALITY

Designed to last, the Regal Hardware range is available in 9 beautiful, hard-wearing finishes which have all been tested to guarantee corrosion resistance against the BS EN 1670 standard. Well-proven, modern features like the positive stop mechanism on the window handles and the anti-droop spring cassette on the door lever work to increase usability, enhance operation and extend service life with the added assurance of a 10-year mechanical guarantee across the entire range.

BEST OF BOTH WORLDS

Regal Hardware gives you the look and feel of bespoke, custom-made window ironmongery but without the artisan price tag or long lead time. And because our handles are precision manufactured, you're guaranteed premium product quality and consistency for a quick, easy fit. All this means you can furnish your replacement windows with an off-the-shelf product that won't compromise the character of your home and may even put a contemporary twist on traditional design!

COLOUR YOU HAPPY

From traditional black wrought iron effect to gleaming polished chrome, Regal Hardware comes in a choice of 9 different colours to help you express your individuality and put the finishing touches to your doors and windows.
